## About Coach Moore

Most of you may know me from the office, but this year I am the new Xcel silver coach. I have worked at GU for 10 years. I grew up an army brat but lived in Germany for grades 6-12. I moved to Columbus in 2009 to attend CSU. I graduated with a BS in health science. My husband and I have been married for 9 years and we have two kiddos; Hattie (5) and Stone (3). The army runs deep in our family as my dad is still active duty along with my brother and sister. My husband is Alabama national guard. Hattie and Stone love going to school at St. Anne Pacelli.
